6 New Single Mom Ministries / Support Groups Launched in February!

Churches in FL, IN, IL, MS, and UT launched single moms ministries/support groups at their churches in February! This has been a new method of ministry for us, and we are very excited about it! We would love to get at least 1 Single Mom Support Group in every County of the United States! These ladies need to know that there are loving churches that care about them! Learn more about launching a group in your County: lifefactors.org/start-a-single-mom-support-group.

4 Single Moms Saved!

Through 3 of the single mom groups, we have heard of 4 single moms that have trusted in Jesus as their Savior this year! 1 was at our single mom support group in Las Vegas, 1 was at Astatula Baptist Church in Astatula, FL, and the other 2 were at Mts. Runn Baptist Church in Zionsville, IN!

The Let's Talk About Fatherlessness Show

With celebrating our 15th Anniversary this year, we wanted to accomplish some new things! This included launching not 1, but 2 new shows! In March, we launched Let's Talk About Fatherlessness, a show designed to spread awareness and inspire individuals to get involved in fatherless family ministry. Through the show, we also inspire fatherless families to overcome their journey, but this show is designed mostly for those that are able and willing to help these families, such as pastors, Christians, and ministry leaders. Learn more at lifefactors.org!

Join The God is my Dad Church & Ministries Network!

Let's work together to bridge the gap between fatherless families, local churches, and the Heavenly Father! Sadly, these families often feel neglected by local churches. By joining the Network of God is my Dad Churches and Ministries, your church or ministry will be put in our "Find a Church" directory for fatherless families at GodismyDad.com. We also provide resources to network members to help in the evangelism and discipleship of these families when they arrive at your church or ministry! Learn more: lifefactors.org/godismydadnetwork/.

How to Effectively Minister to Single Mom's and Their Kids

Sean and Jackie Teis

Minister to the single moms and their children in your church and community helping them break the cycle for future generations! We will give a detailed guide on how to launch a single mom ministry that can also be used as an outreach!

In January, Jackie and I taught a breakout session on How to Effectively Minister to Single Moms and Their Kids at the Idea Summit Pastors and Ministry Leaders event in Texas.

In February we put out a Valentine to Single Moms to encourage single moms on what could be a very discouraging day for them. We also did something special for the single moms in our Las Vegas Single Mom Support Group!

THE SINGLE MOM YEAR MARCH IDEAS

In February and March we made available everywhere the Single Mom Year Monthly Guides to help churches, ministries, and Christians better minister to the single mom families in their church.

In April we launched The God is my Dad Morning Show which is aimed at encouraging, mentoring, evangelizing, and discipling fatherless families through fun and inspiring ways! Please subscribe on our God is my Dad YouTube Channel and tell your friends!

PRAYER REQUESTS

- That we would be effective in evangelizing & discipling fatherless families!
- Guidance as we mentor 2 fatherless students, 1 student that lives with her grandparents, and 1 fatherless young adult! We are planning to start with another fatherless young man as well!
- For God's protection of our family! The devil doesn't want these families to be reached! For our children to grow up and serve God!
- For our marriage to be stronger than ever, for our children to see God through this ministry venture, and for them to grow tremendously in their faith during this time!
- That we could help fatherless families experience the blessings of having God as their Heavenly Father through a personal relationship with Jesus!
- For exposure to our new initiatives, shows, and resources.
- For God to give us wisdom and vision in future ministry decisions.
- For us to be helpful and a blessing to churches nationally!
- That our needed regular monthly support would continue to come in!
- That we could find at least one "doctrinally" sound church in every county or equivalent in the United States to join the God is my Dad Network and/or launch a single mom support group!
- For wisdom & guidance as we develop new curriculum & resources.
- That God would continue to open doors for our ministry!
